

## Flight Centre

In order to provide maximum flexibility, our tours cover "ground content" only. However, Global Golf has developed a strong working relationship with Flight Centre Group Travel. Flight Centre is Australasia's leading travel agency group with 2000+ shops and businesses in 11 countries. Flight Centre Group Travel is the designated travel agency for many of Australia's sporting bodies and they understand the needs of our travelling golfers. David Fazakerley is Global Golf's dedicated Travel Consultant. He has extensive experience in the travel industry and works with a team of five Consultants backing him. David is briefed on the specific details for each tour and can be contacted at [david.fazakerley@flightcentre.com.au](mailto:david.fazakerley@flightcentre.com.au) and on 03-90263426 or 1300 780 995 (Toll free).

Furthermore, Global Golf & Flight Centre have worked together to now offer you access to "Travel-Port" - search, compare & book flights & pay online by credit card. By using this service you are not only taking advantage of the buying power of the world's biggest travel agency group; but it enables a seamless transition between your flight information and 'ground content'. Global Golf will automatically be informed of your flight details and can stay up to date with arrivals, delays and assist faster in an emergency. Other benefits include:

- Book directly 24 hours a day.
- Not confined to specific flights or airlines.
- Full Flight Centre support including 24/7 emergency assist, membership of the Travel Compensation Fund & access to David for amendments, queries or emergencies

Feel free to visit the [Global Golf Booking Site](#) to arrange your flights now.
