

## Our Partners in Augusta-SGH Golf

The Augusta-based components of a tour to the Masters are developed in conjunction with SGH Golf, the US's leading Masters Operator. SGH Golf has been sending golfers on unforgettable golf vacations since 1983. They are committed to quality in all aspects of their business. Not only are SGH able to provide us with guaranteed tickets, but also excellent accommodations, hospitality, transportation, and on ground support. When we book with SGH Golf we are booking guaranteed tickets. They buy their tickets directly from the patrons, they own the first ever, purpose-built Hospitality Building in Augusta; they have their own transportation and housing companies; and their local staff has been working for them for over 16 years (on average).

Global Golf's' close working relationship with SGH Golf allows us to pass on a number of key competitive benefits:

- Competitive prices for fully inclusive, high end Masters Packages;
- Magnolia Manor. SGH has invested in its own hospitality facility across the road from Augusta National Golf Club. Access to Magnolia Manor is available to Global Golf clients at an additional cost;
- Full service of experienced SGH personnel whilst in Augusta – a minimum of 10+ staff members are committed to the program;
- First option for the best hotel rooms and private lodging in town via long term relationship agreements with owners.
